Dear Brian,

Thank you and Susan for performing at Moreau Elementary School. The children really enjoyed your program! The emphasis that you placed on promoting reading was well received by the students as well as the faculty. March is designated as Parents as Reading Partner's and the Home School usually contracts with authors to come in and entertain the students. It was nice to have musicians come in to sing and interact with the students while emphasizing the importance of reading. Great program! We'll let others know how well you were received, and thanks again.

Sincerely,

Moreau Home School
