Verse 1

On our island, when someone says "hi"
I don't look down I look them in the eye.
I give them my smile, "Hi! How are you?"
So they know I'm happy to see them too.

Chorus:

RESPECT ISLAND
is a place of honesty.
Where I'm respecting you
and you're respecting me!
It's an island of smiles.
It's sunny and fun.

Where there's caring and sharing
Enough for everyone,
RESPECT ISLAND, RESPECT ISLAND!

Verse 2

On our island we choose our words.
What I say can make your day.
It's up to me to make that choice.
I show respect. I use my voice!

(Chorus)

BRIDGE

We show respect everywhere in everything we do.
Out in our community, at home and school.
Respect Island, Respect Island!

Verse 3

On our island we show we care.
By listening, sharing and being there.
Your feelings matter 'cause you're
important too.
I show respect in everything I do!

Chorus:

RESPECT ISLAND, is a place of honesty.
Where I'm respecting you, and you're respecting me.
It's an island of smiles. It's sunny and fun.
Where there's caring and sharing
Enough for everyone, RESPECT ISLAND, RESPECT ISLAND
(last time - fade-out)
